1,000-Series
Splash Pad Packages

Turnkey Splash Pad Equipment Packages for 1,000-Square-Foot Aquatic Play Spaces.

Pre-Designed Splash Pads. Fully Equipped. Ready to Install.

The AquaWorx 1,000-Series Splash Pad Package allows you to create your ideal aquatic oasis with two simple steps. Each turnkey package comes complete with ready to install ground sprays, interactive water features, and a recirculating filtration system within a set budget. Simply select your splash pad design from a set of pre-made conceptual renderings and select your color options for your interactive water features. Custom color options are available on request.

1,000 Series Splash Pad Packages Include

Interactive Water Features

ACRYLIC SERIES COLOR SELECTIONS

AquaWorx Acrylic Series colors bring water to life, allowing light to pass through and cast vibrant reflections that dance across the surface below. Acrylics add eye-catching, translucent pops of color that elevate the entire aquatic play experience.
