600-Series

Splash Pad Packages

Turnkey Splash Pad Equipment Packages for 600-Square-Foot Aquatic Play Spaces.

Pre-Designed Splash Pads. Fully Equipped. Ready to Install.

The AquaWorx 600-Series Splash Pad Package allows you to create your ideal aquatic oasis with two simple steps. Each turnkey package comes complete with ready to install ground sprays, interactive water features, and a recirculating filtration system within a set budget. Simply select your splash pad design from a set of pre-made conceptual renderings and select your color options for your interactive water features. Custom color options are available on request.
